

TEAM EVOLUTION APPLICATIONS PRIVACY POLICY 2024/25

As a member of Team Evolution, we collect certain information and data about you. This document will advise you on how we will be handling your data to comply with the General Data Protection Regulations (GDPR).

What information do we collect from the athletes?

- Name
- Date of Birth
- Citizenship
- Hometown
- Current Ski Club
- Length of Time in that Ski Club
- Video of a current skiing performance

What information do we collect from the Parents/Guardians?

- Name
- Relationship to the Applicants
- Email addresses
- Phone numbers

Why do we collect this information?

- It allows Team Evolution staff make an accurate assessment around each families circumstances, and understand whether they would be suitable to join the Team Evolution Programme which they are applying for.

How is this information kept?

Completed forms are submitted to the business emails of the Programme Director and Head Coach. Completed forms are also kept on the online system as a backup. All phone numbers, email addresses, phone numbers and other personal information are stored within the file.

How long is it kept for?

All electronic copies are kept until a decision is made whether an athlete will join the programme. All copies of athlete and parent information are securely destroyed within 36 months.

Is anything else done with the information?

We do not and will not sell your personal information to any other organisations for any purposes, such as marketing, market research or for commercial purposes. With your permission, we may request relevant information from the Home Nations governing bodies or other coaches within the industry for the purposes of making a fair assessment of each application.
